### Sanitary warning:

Do not use on the scalp if broken, irritated or affected by pathologies;  
As the product may cause allergic reactions in very sensitive persons , we recommend carrying out a preliminary test as follows: clean a small area behind the ear, apply a small quantity of product for 2 or 3 times and let it dry. Wait 48 hours without washing . If local reddening , swelling or itching appears in the meantime, do not use the product. It's up to the user decide if carry out a preliminary test or not.

Attention: the final product may generate hydrogen peroxide.

### Instructions for use:

- Follow the instructions on the product or on the annexed sheet;
- Do not use to dye eyelashes and eyebrows;
- Do not make a perm immediately after or before a dye;
- Rinse one's hair well after application;
- Do not use on hair previously treated with metallic dyes;
- Follow the recommended sitting time;
- Rinse immediately any rest of colouring mixture from skin or clothes ;
- Use the colouring mixture as soon as ready;
- Throw any unused colouring mixture;
- Do not leave the colouring mixture in a hermetically sealed container as it might swell and explode;
- Keep away from the reach of children ;

### Warning:

The Hairdresser is obliged to inform the user about the contraindications and/or the allergic reactions above mentioned.
